LINUS LUNDQVIST

From humble beginnings...

LINUS LUNDQVIST

*To world champion
elect*

In 2020, Linus Lundqvist launches a Stateside assault in the **Formula Regional Americas Championship Powered by Honda**, where he competes for the title-winning Global Racing Group squad.

LINUS LUNDQVIST

Linus won the prestigious BRDC British Formula 3 Championship in 2018, following in the wheel tracks of motoring greats such as Jackie Stewart, Ayrton Senna and Mika Häkkinen.

Adding to his 2018 success, Linus also won the Sunoco Whelen Challenge; one of motorsport's most valuable prizes worth more than \$250 000 in the form of a Rolex 24 At Daytona drive.

LINUS LUNDQVIST

"Every time I thought 'oh God we're in for a difficult situation', he just kept getting better and better; the more pressure he was under the better he got."

"And I'll put money on it, he won't put a scratch on the car and that's what will bring him the championship. Consistent scoring - and when the car's right, he'll be unbeatable."

- Anthony "Boyo" Heatt
Former team boss
